Community Projects Specialist

The organization

The New Hampshire Community Loan Fund provides loans, capital, and technical assistance to those facing barriers to fully participate in our state's economy. The following core values guide our mission and work: We live respect, embrace challenges, and advance equity.

Diversity, equity, and inclusion have always been keys to our success. We are an Equal Opportunity Employer, and our employees are people with different strengths, experiences, and backgrounds who share a passion for improving people's lives.

About the opportunity

If you are an energetic, roll-up-your-sleeves person who thrives on facilitating projects from feasibility to completion, this is the job for you. ROC-NH's Community Projects Specialist provides information and assistance to resident-owned manufactured-home communities (ROCs) with infrastructure, renewable energy, energy efficiency, and community-wide weatherization efforts.

The person in this position helps ROC boards of directors build relationships with funding partners, engineers and contractors, municipalities, and other professional stakeholders. In this role, you will foster a sense of community empowerment while helping ROCs improve their communities.

The successful applicant will also be responsible for providing general governance-related technical assistance to an assigned portfolio of ROCs.

We offer a hybrid work plan combining remote work with time in our Concord, N.H. office.

Salary range starts at \$60,000 with comprehensive benefits.

If this description is a good fit, we would love to hear from you! Please send a resume with cover letter to jobopening@communityloanfund.org.

No phone calls, please.
